

# Brown/Green Water Hull, Machinery, P&I

The Ascot U.S. marine team provides a range of insurance options for brown and green water vessels, their machinery and Protection and Indemnity coverage including crew and passengers.

Our Craft portfolio is typically written in tandem with Marine Liability and our Marine Package products. We look to provide a holistic coverage which provides operators with insurance for all of their needs.

**Target Classes Include:**

- Municipalities
- Port Authorities
- Tug & Barge operators
- Crew Boats & Supply Boats
- Cruise Vessels
- Entertainment / Passenger Vessels (Dinner Cruises, Whale watching, sightseeing, etc)
- Pilots Boats
- Public Entity Vessels (Patrol boats, fire boats, etc.)
- Miscellaneous Vessel Operators (research vessels, spill response, etc.)

**Capacities:**

\$10 Million Hull and Machinery

\$5 Million Protection and Indemnity
